

# Maternal, Infant & Sexual and Reproductive Health in the Developing World: A Conference for Volunteer Clinicians

## Saturday 2<sup>nd</sup> December 2017

Central London venue to be confirmed

Sexual and reproductive health is always of critical importance, and never more so than in the developing world. This training course is designed for doctors, nurses and midwives volunteering to work internationally, whatever their specialty. The aim is to better prepare volunteer clinicians for the SRH challenges which they might encounter, with expert speakers providing examples from the field, as well as providing insights into dealing sensitively with local customs, practices and myths.

Valid for 6 hours recertification of the DFSRH/NDFSRH and for 6 CPD points

The fee of £220.00 includes all refreshments and a buffet lunch.

A discounted rate of £195.00 currently applies:
